SUBJECT.

Requesting sanction to entertain a hand on Rs.70/- to examine the quality of rice that is delivered in the Mysore City.

Letter No.1717 dated 1st January 1919 from the Food Controller in Mysore, Bangalore, to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to state that in connection with the contract for the supply of 2,500 tons of rice in Mysore, it is necessary to employ an officer of sufficient standing to examine the quality of rice that is delivered and to see that correct quantities are put into the bags before delivery. The Deputy Commissioner of Mysore had agreed to spare the services of Mr. B. Siddaraj Urs, Revenue Probationer, for this purpose. But, he has just written to say that this officer will not be available as he has been deputed to undergo survey training from the beginning of January. The work is of a very responsible nature and a reliable and trustworthy officer on a salary of Rs.70/- at least is required. I request that the immediate sanction of Government may be kindly obtained to the entertainment of a hand for the purpose on Rs.70/-. A memo as to the arrangements necessary for receiving the rice delivered by the mills has already been forwarded to you with my D.O.No.C.37 dated 26th December 1918.
